Presentation – Review Survey Results

Mr. Sands reviewed results from the community survey to inform any Committee members who did not attend the previous board meeting where Bill Foster presented all of the community survey results.

Discussion – Draft Recommendation

Mr. Sands presented an example process for determining which projects could be included in a potential referendum based on the community survey results. The Committee then discussed which projects to include based on priority and the survey results, as well as what total dollar amount to recommend. The discussion resulted in the draft content for the Committee's recommendation to the Board of Education for a facilities referendum. The Committee also agreed on recommending to the Board of Education that the District move forward with an operating referendum.

Next Meeting

April 18, 2018, to finalize a recommendation to the Board of Education.

Adjourn

The meeting adjourned at approximately 7:20 pm.
