PUBLIC NOTICE OF BOARD MEETINGS

The Evansville Community School District Board of Education recognizes that the public is entitled to the fullest and most complete information regarding the affairs of the Board as is compatible with the conduct of Board affairs and the transaction of Board business.

The Board endorses the Open Meeting Law and hereby appoints the district administrator as the person responsible to properly notice all regular and special Board meetings.

Public notice must be given at least 24 hours prior to meeting. Exception: notice of not less than 2 hours is sufficient if for good cause 24-hour notice is impossible or impractical.

Notice shall be given to the official school district newspaper, posted on the District web site, and shall be physically posted at locations designated by the Board and/or district administrator.

Notice must contain time, date, place and subject matter of meeting, including that intended for consideration at any contemplated closed session, in such form as is reasonably likely to inform the public and news media.
