Revised: October 9, 2006

453.2

## STUDENT IMMUNIZATIONS

In accordance with state law, all students pre-school through grade 12, including transfer students, shall meet immunization requirements. Immunizations are required for measles, rubella, diphtheria, pertussis (whooping cough), polio, tetanus, mumps, hepatitis B, and varicella (chicken pox).

The District requires each student to present evidence of completed basic and recall (booster) series immunizations unless the student, if an adult, or the parent, guardian or legal custodian of a minor student submits a written waiver based on health, religious, or personal conviction reasons to the district.

The district will utilize the Wisconsin Immunization Registry to ensure accurate immunization records and maintain district compliance with state law.
