

EVANSVILLE COMMUNITY SCHOOL DISTRICT

CSI: Technology Minutes

Thursday, October 30th, 2018

Attendance

Present: Bruce Curtis, Mandi Firgens, SuAnn Garvoille, Griffin Hicks, Jenn Johnson, Trent Johnson, Larry Martin, Curtis Nyhus, Betsy Stalder, Lori Teigen

Absent: Abby Beyerl, Eric Busse, Scott Everson, Jenean Hamilton, Jolene Hammond, Jason Knott, Jerry Roth, Samantha White, Dawn Yeager, Amy Zastoupil

Survey – Pro/Cons

The committee discussed the pros and cons of sending a survey to all staff members. Committee members agreed if a survey is going to be sent out, a different initial communication would be beneficial. Survey data may also be collected in face to face communication.

Message to staff

The committee drafted a memo targeted to staff, stating the intention of a survey and the resulting data. This message is also intended to get staff thinking about all the different resources they use that are considered software. It will be sent out by a committee member in each building so staff have someone familiar to reach out to with questions.

Face to face communication

To start, Mr. Curtis is going to meet with the grade level teams in his building to collect data and have discussion about committee goals. These in person meeting will shape communication moving forward.

Next meeting dates

The next CSI: Technology meeting will be held Tuesday, November 20th at 3:30pm in the District Office Board Room. Alternative meeting times and/or locations will be discussed at future meetings.

Adjourn

Motion by Ms. Garvoille, seconded by Ms. Johnson, to adjourn the meeting. Meeting adjourned.
