

Bridging Brighter Smiles

Bridging Brighter Smiles (formerly Smiles 4 Life Dental) is a non-profit organization that provides students the opportunity to receive preventative oral hygiene care by bringing portable dental equipment right into the school.

Preventative hygiene services include:

- Oral Screenings
- Cleanings
- Fluoride Varnish
- Individualized Oral Hygiene Instructions
- Sealants with Retention Checks
- Dental referrals when medically necessary
- Follow up care
- Interactive education for school classrooms and assemblies

All students, ages 3 and up, can participate in this program. Bridging Brighter Smiles bills State Medicaid/Forward Card (BadgerCare) and no child is ever turned away due to a lack of financial resources. If a family does not have state insurance, they are responsible for the minimal fees listed on the enrollment form.

To enroll, please complete the Bridging Brighter Smiles enrollment form (link below) and either email to Janessa Katzenberger or mail to Janessa Katzenberger
