### **Attendance**

Present: Larry Martin, Abby Beyerl, Mandi Firgens, Jennifer Johnson, Jason Knott, SuAnn Garvoille, Griffin Hicks

Absent: Eric Busse, Scott Everson, Jo Ann Mumm, Lori Teigen, Samantha White, Dawn Yeager, Amy Zastoupil, Jerry Roth

### **Approve Minutes from 11/28/2017**

Motion by Larry Martin, seconded by Abby Beyerl, moved to approve previous meeting's minutes.

### **SLATE – Key Points**

The committee discussed some of the major takeaways from SLATE presented by Larry, Abby and Mandi. These key points included data privacy and how it applies to our district, helpful tech tools for scheduling, notetaking and breaking habits, creating spotlight classrooms to receive and test new technologies first, falling in-line with future DPI requirements, alternative options for study halls, new additions to Google's G Suite, widely available makerspaces, and digital library resources.

### **Create Survey for Staff**

The committee started creating a survey to send out to staff members. Including questions related to staff needs, appropriate options for professional development, individual proficiency, support and resources, Educational Tech Integrators, and more. There was discussion about whether the survey should remain anonymous like previous years, require identifying information or ask for information by personal choice. The survey will be reviewed and edited at the next meeting.

### **Adjourn**

Motion by SuAnn Garvoille, seconded Jenn Johnson, moved to adjourn meeting.
