## SCHOOL YEAR/SCHOOL CALENDAR

The school year in the School District of Evansville shall consist of at least 190 teacher contract days inclusive of teacher inservice days and legal holidays.

The Board encourages and will support all reasonable efforts to have the schedule and calendar so organized that they will promote the greatest possible flexibility and effectiveness in curriculum and efficiency in operation.

Each school year, the administration shall formulate a master calendar that includes all regular and on-going activities, and that complies with board policy.

School calendars shall be disseminated as widely as practicable.
