342.1

LOCAL AGENCY SPECIAL EDUCATION PROGRAM

The Board of Education is committed to providing a free and appropriate education to all school-age students with a special education disability within its jurisdiction in accordance with pertinent state and federal laws.

The District recognizes special education services are a part of the student's total educational program in the District and not a separate entity. The District also recognizes the legal requirement of educating students with special education disabilities in the least restrictive environment.

The District shall provide appropriate special education services to all students identified with special education disabilities in compliance with the Wisconsin Department of Public Instruction (DPI) Model Local Educational Agency Special Education Policies and Procedures (revised: November 2007).

All District special education programs and placement of District students with special education disabilities are under the direction and supervision of the Director of Student Services. Copies of the District adopted DPI Model Local Educational Agency Special Education Policies and Procedures are available through the office of the Director of Student Services.
