HIGH SCHOOL CLOSED CAMPUS

Students are not permitted to leave school property during the school day without prior approval from a parent/guardian and school official. A regular school day for students attending high school is defined to be between the hours of 8:00 a.m. and 3:09 p.m.

The principal will approve written parent/guardian requests that first, second, and third year students leave school property to go home for lunch each day provided the following conditions are satisfied:

1. That the student eats lunch at home.
2. That no automobile will be permitted to leave the school parking lot for purposes of getting home for lunch.
3. That the student be able to get home and return to school in the 30 minutes provided.
4. That the student has satisfied all conditions defined in the Lunch Period Regulations as written in the high school student handbook.

A statement agreeing to the conditions must be signed by the parent/guardian and student and returned to the school office prior to final approval. Violation of conditions 1, 2, 3 or 4 will result in cancellation of the student's permission to leave the school grounds during the lunch period and could result in disciplinary action.

The following persons may gain permission to leave school property during the school day:

1. Students who leave the school property for documented medical reasons.
2. Students who participate in the Wisconsin Public School Open Enrollment program on a part-time basis.
3. Students who are of legal age (18 years).
4. Students who participate in youth options programs.
5. Students who are enrolled in Evansville Vocational, Co-Op Programs, or participate in a school supervised work-experience.
6. Students whose parents/guardians request to pick up their children at school.
7. Fourth year students may leave the campus, individually in their own vehicle during their lunch period if they have no failing grades and no active attendance or disciplinary issues. Such students lose this privilege upon one unexcused absence, three un-excused tardiness, or one disciplinary referral. To regain eligibility, parents/guardians must request reinstatement in writing. Students must meet with the principal or designee and successfully comply with all conditions set forth.
