

Levi Leonard Elementary, LLE, received a monetary donation in the amount of \$1000.00. Exxon Mobile Company donated \$500.00 as a part of their Educational Alliance program. In addition, Evansville Gas N Go matched the \$500.00 donation. Exxon Mobil believes it is important to encourage the next generation to pursue studies and careers in fields involving math and science. Levi Leonard Elementary teachers will be able to purchase several supplies to further expand our STEAM (Science, Technology, Engineering, Art, Mathematics) days.
