SCHOOL HEALTH SERVICES

The Evansville Community School District Board of Education shall provide school health services dedicated to providing and maintaining the physical, mental, and emotional health of all students while remaining in compliance with state and federal laws and regulations.

School health services shall provide information and instruction to enable students to take responsibility for their own health, the health of others and an understanding of the fundamental principles of a healthy lifestyle.

The District's health services program shall include the following:

1. Conducting and initiating various health examinations (i.e., vision and hearing screeners).
2. Cooperation of the Board with local and state officials in the event of epidemics, and/or natural disasters, or any conditions judged potentially dangerous to schools and community.
3. Daily observation of students' health.
4. Maintenance of appropriate health records.
