

EVANSVILLE COMMUNITY SCHOOL DISTRICT
State Imposed Revenue Limits

A district's revenue limit is the maximum amount of revenue it may raise through state general aid and property tax for the General, Non-Referendum Debt (authorized after August 12, 1993), and Capital Expansion Funds, also referred to as Funds 10, 38, and 41 respectively.

The maximum limit is based upon enrollment changes, the Consumer Price Index, equalized property value and each district's prior year controlled revenue. A district then determines the maximum allowable levy for Funds 10, 38, and 41 by subtracting the Department-provided October 15 General Aid Certification and Poverty Aid estimates from the district's maximum revenue limit.
