Agenda:

1. Observe a moment of silence for the ongoing systemic inequities in America
2. Take Roll
3. Assign minutes
4. Approve Minutes from the December 10, 2020 meeting
5. Address concerns of student survey procedure that this team needs to be aware of
 - a. A survey of a student body that is 89% white (as of 2018-19 school year) will dilute concerns of students of color
 - b. Any survey taken at this time will naturally be potentially jaded due to the COVID 19 effect on mental health
 - c. The prioritization of purpose pits one marginalized group against another, sort of where the oppressors like us. Whenever one of us is hurt, we all are hurt.
6. Reframe the purpose of this Committee
7. Committee discussion of the questionnaire created by the committee survey subcommittee previously sent to committee of the whole. Focus will be on community building within the committee
8. Set next meeting January 28 or February 11
9. Motion to adjourn
