

Student Parking Permit Application

Procedure:

1. Students must submit a completed application form to the high school office.
2. Students who do not receive a permit will be placed on a prioritized waiting list.

Students will lose their permits if:

1. They drive recklessly.
2. False information is provided on the application form.
3. Fail to adhere to all automobile regulations.

**** Students are responsible for payment of all parking tickets and/or towing expenses received. It remains your responsibility to have your permit properly displayed at all times.**

I hereby agree to abide by all student driving and parking regulations, to heed the speed limit of 15 M.P.H., to follow all posted traffic patterns, and to operate the motor vehicle at all times in a reasonable, safe, and lawful manner. I also understand that I am not to be in, or operate the motor vehicle while on school grounds during school hours, except for the lunch period if approved for open campus. A parking tag with my designated parking space will be necessary and will be issued to all students who have a completed and approved Driving and Parking Permit application. I also understand that parking anywhere other than my designated space leaves my vehicle subject to a ticket and towing. The parking tag must be displayed in the designated manner.

I have read and fully understand all of the Driving and Parking Regulations as stated in the Student Handbook and listed on the back of this form. I specifically agree to the privileges, regulations, and penalties listed.

Student Parking Permit Application

AUTOMOBILES AND OTHER VEHICLES

Driving a car or other motor vehicle to school is a privilege granted to students by the state, school, and parents.

In an attempt to provide maximum safety for all students, the following procedures and rules will be followed by students who want to drive a motor vehicle to school and park in the school parking lot:

1. A parking tag is necessary and will be issued each school year to all students who have a completed and approved Student Driving and Parking Permit application form. The parking tag must be affixed in the manner designated and will permit parking in your specific spot only. Motorcycles must be registered and will be issued a registration sticker.
2. All student vehicles must be properly parked in their designated parking stall in the front parking lots south and southwest of the school.
3. Speed limits of 15 M.P.H., posted traffic patterns, and designated parking areas must be adhered to.
4. Students are not to be in, or on, any motor vehicle, or in the school parking lot during school hours, unless they are either legitimately entering or leaving the school grounds by motor vehicle.
5. Students are prohibited from driving their vehicles from the high school parking lot during the school day. It is the general policy of the school that once a student's car is parked on the school parking lot, it will remain there until the end of the school day.
6. The use of recreational and/or non-licensed vehicles is prohibited on all Evansville School District grounds, parking lots and driveways.
7. Parking on school grounds is a privilege and not a right and thus a student election of this privilege is tantamount to consent for school officials to search their parked cars on school grounds.
8. **Penalties:** Students who are found to be in violation of the preceding rules and regulations may face disciplinary action which can include revocation of driving or parking privileges, towing of vehicle, or referral to the Evansville Police Department.
